Meet more students from Year Groups 11, 12 and 13 than any other event

Both the first and second **NSCL Festivals** at the NEC in November 2023 and November 2024 attracted more visitors than any other comparable event. Feedback from all stakeholders has been out of this world and we are excited to continue to develop this event into an even more informative and inspirational event.

How do we attract so many visitors?

1

£100,000 in School and College travel bursary funding offered to all Educational Establishments across England, enabling them to bring their students.

2

Email marketing to every School and College, targeting multiple senior decision makers within each institution.

3

Telephone marketing - each School and College in the country will be called by our in-house Team to showcase the event and make sure they don't miss out!

4

Organised bespoke broadcasts, utilising our 200-seat theatre showing workshops, and talks to our online audience. Marketed to students, Schools and Colleges, meaning those who cannot make it to the event in person have access to as much information as those who attend in-person.

5

Targeted Social Media Campaigns, aimed at individuals aged 16-24 and parents/carers, showcasing client-specific offerings alongside details of the event.

6

TV Advertising, broadcast across the country on SKY and ITV, to a targeted audience.

7

"The event was awesome. Lots of stands - lots of very willing people to talk to us. My Year 11 students were buzzing on the way home on the coachand said it was the best thing they had attended! They got loads from it - as a Careers Advisor I'm very happy!! Many thanks for a great job. Great organisation. I can't wait to attend next year! "

Careers Lead, Cardinal Newman Catholic School

"This is a really beneficial event for students that do not have any idea of their next progression steps and for those that have already decided, to ask the people in the know!"

Group Leader, Stamford College

"We had a fantastic time today [at The National School & College Leaver Festival] thank you, our students were really impressed with the employers and providers - they said it's one of the best shows they have been to!"

Guilborough Academy Careers Lead

"Just wanted to let you know today's event was great. Some of our more disengaged Year 11s came away buzzing after the event. Just wanted to ask if there are any dates for next year? We don't normally organise trips in year 11 but today was so successful we want to get it on our calendar early for next year."
